

REMARKS

Claims 1-20 are pending in this application.

In the subject Office action claims 1-20 were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-20 of U.S. Patent No. 6,690,710 in view of U.S. Patent No. 5,425,047.

Applicants files herewith a terminal disclaimer to overcome the double patenting rejection raised in the Office action.

Applicant requests allowance of all pending claims.

Respectfully submitted,

OLEG S. FISHMAN et al.
